

Zatt

carpet

We are passionate about making our flooring products and aim to create truly inspirational environments for people to enjoy

burmatex offers an expansive product range; our traditional fibre bonded sheet and tile ranges include entrance products and ground-breaking structure bonded ranges, which present an expansive colour palette. Our low level loop, textured loop and cut pile tufted carpet tile ranges, including a specialist entrance barrier product, are inspired by the latest and predicted future design and colour trends.

burmatex is committed to best environmental practice in our manufacturing, from the sourcing of raw materials – including recycled content – minimising and reprocessing waste, use of green electricity and recycled packaging. Because of this, the Building Research Establishment (BRE) has awarded our products the highest BREEAM ratings; mostly A+.

We hope that by reading our catalogue and visiting our website at www.burmatex.co.uk, we will inspire you to work with us to create really unique, captivating floor designs.

burmatex is a leading UK manufacturer of contract carpets and carpet tiles. We are passionate about creating truly inspirational environments, reflected in our products unique nature across both design and manufacture.

Our products are suitable for use in heavy contract markets and used in a wide variety of private and public sector buildings, including schools, offices, universities and leisure centres.

The burmatex design team are a driving force in developing product ranges which reflect colour and design trends as well as creating exclusive, bespoke carpet tiles to meet customers' needs and providing our free planned flooring layout design service.

burmatex is a BS EN ISO 9001:2000 registered company (Cert No.FM1440). All products are tested to BSI/CEN standards in relation to durability, wear, flame retardancy, antistatic properties and colour fastness.

go to

go to stripe

go to

go to offers two designs – plain and stripe in a popular colour palette of fifteen. Brighter and darker greys and blues are supported with red and green brights within the collection. Each colour except jet black has its own counterpart in the stripe design. You can mix and match the plain and stripe options to create more interesting floor layouts or define zones.

The range maintains the level of high performance and resilience that **burmatex**® carpet tiles are known for. **go to** is the perfect choice for users that are looking for a quick and easy carpet installation option.

grade tile & plank

The name **grade** links to the graduation between lighter tones and darker ones within each colour option. A researched and considered palette of nine colours gives great flexibility and longevity, whether using a single selection or creating your own combinations. Colours can subtly diffuse from one to another, or create drama by using blocks of contrasted areas

balance atomic

balance atomic is an exciting, contemporary loop pile, with a colour palette ranging from warm beiges, through greys, to cool blues. This BREEAM A+ rated collection comes in 3 co-ordinating designs; a plain, a pinstripe and a versatile, random effect, all of which work alone or complement each other perfectly to create a stylish, individual look for any interior.

balance atomic storm, marine, cove, earth and rock are multi tile designs. Each box of tiles contains a selection of these designs which can be laid monolithic, quarter turn or random to achieve the desired effect.

Colour Fastness To Light: Minimum grade 6
Flammability: Euroclass Bfl-s1

hadron

hadron is highly inspired by striking imagery of the hadron collider. Hyper-real bright bursts of colour, surround by dark space. Each colour-way from the collection has the same neutral, dark grey base, making it easy to delineate areas without harsh lines and creating seamless transitions across a floor. A variety of highlight colours are used, from intense pops of colour to mid tones, neutrals and semi-darks.

The inclusion of texture on this carpet tile, in a subtle weft style pattern, enhances the dispersed nature of the colours.

Specification

Product Description: Textured Loop Pile
Pile Yarn Description: 100% Solution Dyed Nylon
Tile Dimensions: 90 cm x 50 cm

Colour Fastness To Light: Minimum grade 6
Flammability: Euroclass Bfl-s1

strands

strands is a vibrant and exciting 100% Nylon textured loop carpet tile range offering almost limitless opportunities for floor design.

Each tile starts with a background colour of mid grey with a black pinstripe and is then accented by one of eight striking key note colour stripes in three versions: - Strands 5; Strands 10 and Strands 60; so named because the key note colour stripe takes up 5%, 10% and 60% of the carpet tile respectively.

Strands offers the designer combinations of pattern and colour to create and develop unique floor designs starting from tessellated or brick in 5, 10 or 60 up to amazing effects such as random monolithic, brick repeat, chequerboard using combinations of 5, 10 and 60. Schemes can be further enhanced using combinations of other burmatex ranges.

axis

axis is inspired by our surroundings; nature, art, food, and culture. Strong and bold, or rich and calm, the palette of eleven colours provides the axis for many different flooring schemes. Create a vibrant punch of colour, a calm oasis, or use in combination with other burmatex ranges such as **hadron**, **grade** or **strands**.

The relationship with **strands** is unique, in that all the colours in the strands palette now have a corresponding axis colour.

Each of the colours has been designed to be installed single direction – no need to quarter turn – with an inherent dark fleck to provide extra appearance retention without compromising the impact of the product.

Specification

Product Description: Textured Loop Pile

Pile Yarn Description: 100% Solution Dyed & Spaced Dyed Nylon (Polyamide-PA)

Tile Dimensions: 50 cm x 50 cm

Pile Height: 35 mm +/-10%

Total Thickness: 60 mm +/-10%

Pile Weight: 550 g/m²

Tufts per m²: 188/976 g/m²

Castor Chair Rating: BS EN 985 Pass

Body Voltage Test: BS ISO 6356:2000 <2kV

Colour Fastness To Light: Minimum grade 6

Flammability: Euroclass Bfl-s1

surface

surface is a 100% nylon textured loop pile carpet tile created to coordinate beautifully with any commercial interior scheme. Combinations of solution and space dyed nylon create eight versatile colourways, from earthy tones through to cool neutrals. Architectural exteriors, facades and mathematical and manufactured surfaces inspire the visually textured appearance, creating a feeling of dimension and depth in a practical textured loop construction. This hard wearing, versatile and great value product is suitable for use in any commercial interior project.

Specification

Product Description: Textured Loop Pile

Pile Yarn Description: 100% Solution Dyed & Space Dyed Nylon (Polyamide-PA)

Tile Dimensions: 50 cm x 50 cm

Total Thickness: 5 mm +/- 10%

Pile Weight: 620 g/m²

Tufts per m²: 235,800 g/m²

Castor Chair Rating: BS EN 905 Pass

Body Voltage Test: BS ISO 63562000 <28V

Colour Fastness To Light: Minimum grade 6

Flammability: Euroclass Bfl-s1

tandem

m is a high performance tile class 33, central to the design collection; this simply styled tile presents six colours from a natural palette which can be laid both monolithically and quarter turn suiting small and large spaces.

tandem works individually and alongside other ranges to complement and enhance a design colour; with a textured effect and enduring finish this gentle design effortlessly complements various finishes and furnishings.

Specification

Product Description: Textured Loop Pile

Pile Yarn Description: 100% Solution Dyed Nylon (Polyamide-PA)

Tile Dimensions: 50 cm x 50 cm

Pile Height: 4 mm +/- 10%

Total Thickness: 6.5 mm +/- 10%

Pile Weight: 580 g/m²

Tufts per m²: 176,850 g/m²

Castor Chair Rating: BS EN 985 Pass

Body Voltage Test: BS ISO 6356:2008 <2kV

Colour Fastness To Light: Minimum grade 6

Flammability: Euroclass Bfl-s1

up/down

up/down is a high performance loop pile tile class 33, ideally suited for use in any commercial space as the flexible designs' contemporary touches enhance a classic solid colour, maintaining fundamental appearance and quality.

The coordinated, modern designs of the reversed pairs of vibrant up and cooler down flooring tiles enrich a space flexibly, with 24 colours making 12 reversed pairs across a balanced palette.

Specification

Product Description: Performance Barrier System

Pile Yarn Description: 100% Solution Dyed Nylon (Polyamide-PA)

Tile Dimensions: 50 cm x 50 cm

Total Thickness: 100 mm +/- 10%

Pile Weight: 920 g/m²

Tufts per m²: 110,236 g/m²

Castor Chair Rating: BS EN 985 Pass

Body Voltage Test: BS ISO 6156:2000 <2kV

Colour Fastness To Light: Minimum grade 6

Flammability: Euroclass Bfl-s1

armour

armour offers the ultimate in entrance performance with its combination of absorber and scraper yarns, which protect internal floor finishes by trapping up to 90% of dirt and moisture, tracked in by foot and wheel traffic. The combination of plain, stripe and block stripes in the key blending colours of dark grey, warm grey and blue, will coordinate beautifully with any flooring design scheme. Armour is ideal for primary and secondary entrance areas, as well as lobby, lift areas and staircases.

1440 grey

1428 blue

1439 brown

1446 tan

1436 green

Specification

Product Description: Fibre Bonded
Pile Yarn Description: 100% Polypropylene
Roll Length: 30m
Roll Width: 2m
Total Thickness: 900 mm +/-10%
Total Weight: 1490 g/m² +/-10%
Colour Fastness To Light: Minimum grade 6
Flammability: Euroclass EP-s1

7700 grimebuster

7700 grimebuster is a heavy contract ribbed fibre bonded carpet. It is ideal for withstanding heavy footfall environments and creating an effective dirt barrier for busy entrances, which lead directly from outside environments.

1640 newmarket grey

1628 haydock blue

1639 goodwood brown

1646 wincanton lawn

1636 curragh green

Specification

Product Description: Fibre Bonded
Pile Yarn Description: 100% Polypropylene
Tile Dimensions: 50 cm X 50 cm
Total Thickness: 120 mm +/-10%
Pile Weight: 1170 g/m²
Total Weight: 4300 g/m²
Colour Fastness To Light: Minimum grade 6
Flammability: Euroclass Bfl-s1

grimebuster 50

grimebuster 50 is a heavy contract fibre bonded carpet tile with a deep diagonal rib surface.

It is ideal for withstanding heavy footfall environments and creating an effective dirt barrier for busy entrances, which lead directly from outside environments.

7840 charcoal

7828 blue
